SACRAMENTO VALLEY ROSE
Scholarship Application

The scholarship fund is administered by the Board of Directors in executive session and is endowed by contributions from individual members, plus income produced by fund raising activities. Scholarships are available to assist chapter members in paying registration fees for the chapter retreat or mini-retreat. When the scholarship fund reaches a reserve of $1,000, the Board may consider providing scholarships to assist chapter members in paying registration fees for the RWA National Conference.

The amount of the scholarship(s) provided to any one chapter member in a given year may not exceed two hundred dollars ($200). The amount is paid directly to the conference, not to the chapter member.

Chapter members in good standing may apply for scholarship assistance by submitting this application to any board member prior to the announced scholarship application deadline. In addition, any member may recommend another member for scholarship assistance by submitting this application to a board member prior to the deadline. Applicants will be notified in writing if the award is granted. A chapter member may receive scholarship funds for only three (3) years. The secretary shall keep a confidential list of members who are granted funds in order to track them.
